The Apostle Paul was concerned that believers grasp God's great vision for His church. "I pray that the eyes of our heart may be enlightened, so that you may know what is the hope of His calling ..." God wants His people to know the exalted role and responsibilities to which He has called and saved them. He has prepared us

**...the eyes of your understanding being enlightened; that you may know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints... Ephesians 1:18**

"things which eye has not seen and ear has not heard, and which have not entered the heart of man..." Certain mysteries were revealed to and recorded by the apostles, including that of the formation of the church. As fellow heirs of Christ, we need the Spirit's enlightenment and spiritual vision in order to properly understand God's

truths. God would have us marvel at "...what are the riches of the glory of His inheritance in the saints." God deems Himself to be exceedingly wealthy as the possessor of the saints. When heaven and earth are discarded, like a well-worn garment, those things which God values will shine forth in glory, including this vision for His church. His disciple should have this same high vision. O. J. Gibson
