The "Albany Gospel Chapel All Volunteer Choir" will begin rehearsals Sunday night, April 20th. Lord willing, the joyful celebration will begin promptly at 7:15pm and conclude at 8:00pm so as to minimally impact the busy schedules of the celebrants. No amount of musical education or experience is required. Just come with a desire to join in song for the edification of others, the glory of God, and some good 'ole fashioned fun. (Proceeds from the sale of CD's and original compositions will go toward travel expenses for our planned East coast tour.)

Some years ago a friend of mine saw a piece of paper lying on the street. On it, printed in large letters were the words: "Twenty five thousand dollars reward!" Attracted by the munificent offer, he picked up the paper and read these words: "Twenty five thousand dollars will be given to the person who can correctly answer

**My thoughts are not
 your thoughts, neither
 are your ways My
 ways, saith the Lord.**

Isaiah 55:8

the following question: 'How shall we escape if we neglect so great salvation?' " Needless to say, the reward is still unclaimed, for this is one of the unanswerable questions of the Bible. We can be certain that when God calls a thing great, it really deserves the description. Man's idea of what constitutes greatness, and God's, are as far apart as heaven

from earth. Man hails the discovery of the poles as a great achievement, but God rejoices in seeking, finding and saving a lost and guilty sinner. Man congratulates himself on the successful completion of a gigantic enterprise such as the construction of a great canal that links two oceans; or a huge dam that conserves an enormous water supply and furnishes a state with electric power; or in a railroad that connects distance places. But God speaks and rejoices in the accomplished work of His beloved Son, by which a full, free and eternal salvation has been provided from sin's doom, dominion and domain for every sinner who will receive Christ as his Savior and Lord.
