

## To the assembly:

**We are thankful** that not only are we able to give to missionary agencies on a regular basis but that we are also able to give special gifts as the Lord lays a particular need on our hearts. We have recently sent the following special gifts:

### **Gospel Missions of India - \$2000**

This gift will be used to complete an assembly building in India. GMI desires to complete 25 of these meeting places for our Indian brethren this year.

### **Ireland Outreach - \$2000**

This gift will be used in Nigeria on the Haven of Hope project. This is a wonderful ministry involving a clinic, childhood education, literacy training, and horticulture training; all in the name of the Lord Jesus and with a view toward souls being saved.

Your generous and voluntary gifts have made this possible.

### ***Loving the USA on Independence Day***

*The patriotic heart is of a slightly different shape and size;  
And that special love of country puts a sparkle in his eyes.*

*When Old Glory waves her stars and stripes high upon her pole,  
His head sings, "God bless America" and pride permeates his soul.*

*Through all her faults there's no better country that the good ole US of A:*

*Oh, that her people would turn back to God; this is what I pray.*

*When the declaration was written, Those men trusted in our God.*

*Freedom to worship was given to all who would walk upon her sod.*

*I think the founding fathers would more than disagree,  
That prayer was taken out of school would cause no misery*

*To remove the Ten Commandments from any public place,  
I think the founding fathers would call that a disgrace.*

*If as a nation we'd repent and renew our faith and trust,  
Before our great and loving God returns us unto dust.*

*He's loving, kind, and patient; but He has limits too.  
He wants America to love Him; I will: will you?*

*God forgive America!*
