Birthday Greetings to:

Harrison Shirah .....January 26

Thanks to all those who braved yesterday's weather to go out and tell the surrounding community about our Savior. Remember to pray for those who were reached.

Please pray for Wilton, Brian and Tracie Dodson's newborn, and also for Mabel Berry. Both have been having some problems breathing.

The gospel tells us that our Creator has become our Redeemer. It announces that the Son of God has become man "for us men and for our salvation" and has died on the cross to save us from eternal judgment. The basic description of the saving death of Christ in the Bible is as a *propitiation*, that is, as that which quenched God's wrath against us by obliterating our sins from His sight. God's wrath is His righteousness reacting against unrighteousness; it shows itself in retributive justice. But Jesus Christ has shielded us from the nightmare prospect of retributive justice by becoming our representative substitute, in obedience to His father's will, and receiving the wages of our sin in our place. By this means justice has been done, for the sins of all… were judged and punished in the person of God the Son, and it is on this basis that pardon is now offered to us offenders. Redeeming love and retributive justice joined hands, so to speak, at Calvary, for there God showed Himself to be "just, and the justifier of him that hath faith in Jesus." Do you understand this? If you do, you are now seeing to the very heart of the Christian gospel. -J.I.P.

For all have sinned, and come short of the glory of God; Being justified freely by His grace through the redemption that is in Christ Jesus... Romans 3:23-24
