Our initial door to door local outreach that started last October wrapped up yesterday with the visitation of our 1000th home! We will be taking a break for the month of May and will be assembling new packets in June. Continue to pray for those who were contacted!

Greg Drake is ministering to the saints at Three Oaks Bible Chapel in Macon. Pray for a safe trip and blessings.

God delights to increase the Faith of His children. Our Faith which is feeble at first, is developed and strengthened more and more by trials. We ought, instead of wanting no trials before victory, no exercise for patience, to be willing to take them from God's hand as a means. ...Trials, obstacles, difficulties, and sometimes defeats, are the very food of Faith. We must allow God to educate us through trials and bereavements and troubles. It is through trials that Faith is exercised and developed more and more. God affectionately permits difficulties, that He may develop unceasingly that which He is willing to do for us, and to this end we should not shrink, but if He gives us sorrow and hindrances and losses and afflictions, we should take them out of His hands as evidences of His love and care for us in developing more and more that Faith which He is seeking to strengthen in us. Oh, beloved brothers and sisters in Christ, seek to learn for yourselves, for I cannot tell you the blessedness! In the darkest moments I am able to confide in Him, for I know what a beautiful and kind and lovable Being He is, and, if it be the will of God to put us in the furnace, let Him do it, that so we may acquaint ourselves with Him as He will reveal Himself, and that we may know Him better.

Faith is the substance of things hoped for, the evidence of things not seen… Hebrews 11:1a
