As to the importance of the children of God opening their hearts to each other, especially when they are getting in a cold state, or are under the power of a certain sin, or are in especial difficulty; I know from my own experience how often the snare of the devil has been broken when one was under the power of sin; how often the heart has been comforted when nigh to be overwhelmed; how often advice, in great perplexity, has been obtained,-- by opening my heart to a brother in whom I had confidence. We are children of the same family, and ought therefore to be helpers one of another.

-George Muller
