Wish to improve your singing? Helpful believers have created a website, saintsserving.net, that contains the words and music to many of the songs in the "Hymns of Truth and Praise" (Red) hymnbook and "Hymns of Worship and Remembrance" (Black) hymnbook. All the songs have the alto, tenor, and bass played separately on piano and some also have the parts sung separately as well. If you cannot

Of all the elements of holiness, brokenness must be one of the most important and influential. When we speak of a broken man we mean one whose will has been subdued by the will of God. He is meek and gentle in the presence of adverse circumstances and irritating people. When struck on one cheek, he turns the other. Readiness to break is a beautiful trait of character. It resists the natural impulse retaliate, to defend self, or to complain. God loves broken things and broken people. Vance Havner wrote, "It take broken soil to produce a crop, broken clouds to give rain, broken grain to give strength. It is the broken alabaster box that sheds forth perfume. It is Jacob limping from Jab-bok who has power with God and men. It is Peter weeping bitterly who returns to greater power than ever. - William MacDonald
